

The CCL PTO Needs Your Support!

Your CCL PTO strives to donate a substantial sum of money to the CCL every year to provide our students access to the very best in available technology and learning resources. Our goal for the 2021-2022 school year is \$30,000.

Our parent-supported PTO yields excellent results for the CCL. In past years, these funds provided grants to teachers who had specific request to help large groups of students as well as other tech, play, and infrastructure items. Please consider donating – no amount is too little or too large – to help support and enhance your child's learning experience!

Did You Know?

Your contribution ensures the CCL provides valuable exploration in and out of the classroom, features engaging guest speakers, purchases equipment for student investigation, provides students with technology to support today's learning environment and a lot more!

Funds donated by the PTO directly impact the children and their learning environments! ALL of this support of learning is made possible by our very special parents at the CCL! 100% of each tax-deductible donation will go directly to supporting the CCL's programs. We simply ask that you make checks payable to the CCL PTO and write "donation" in the memo section. Acknowledgement letters will be sent to each donor thanking them for their gift (which will serve as a receipt for tax deduction purposes).

Throughout the year, the CCL PTO also coordinates our Experience CCL Week Book Fairs. Our "Art to Remember" project and grade-level school supply kit services are our only additional fundraisers. These efforts relate to student learning and have been a valued part of the CCL PTO's activities for many years.

Matching gifts?

Double the funds, double the impact for the CCL and its students!

Please ask your employer if your donation is eligible for a matching gift program.
